HARTLAND HOMETOWN CELEBRATION

Join us for Hartland's Hometown Celebration, June 30 through July 2, 2023. Enjoy music by headlining bands, Stetsin & Lace and Bella Cain, fireworks, a car show and the parade through Hartland!

Thank you to all our sponsors who are supporting the event, including presenting sponsors Cassandra's Motorsports, Cut N Go Trees and Grind N Go Stumps.

The Village is seeking volunteers for Friday and Saturday night. If you are interested in learning more about volunteer opportunities, please contact Sara Rennekamp, 262-367-0352 or sarar@villageofhartland.wi.gov

HOMETOWN CELEBRATION PARADE

Join us for the Hometown Celebration Parade on Sunday, July 2 which steps off at 1:30 p.m. This year's theme is "Unity". Performers will include marching bands, stilt walkers, bagpipers, and much more! Is your group interested in participating? Register now! Complete and submit the [parade registration form](#) to get added to this year's great lineup.

DRUG COLLECTION

In order to reduce substance abuse and the risk of improper use of medications, the police department collects unwanted prescription medications, sprays, inhalers, ointments, creams, vials, herbals or pet medications in our lobbies 24 hours a day. Illegal drugs or paraphernalia may also be placed in these boxes and no questions are asked. The green containers in the Village Hall lobbies are the collection site for these items. Please do not put any hazardous materials or waste such as household cleaners, paint, etc. in the boxes. Do not flush your old medication down the toilet; bring it to us. If you have questions, please call the Police Department at (262) 367-2323.

CROSSWALK SAFETY

Here is some important information to know when you are walking across the street or driving a car on a roadway. Wisconsin State Statute 346.24 explains the duties of both pedestrians and drivers when a pedestrian is crossing the roadway. There are three important points to remember when walking or driving on the roadway as it relates to crosswalks (MARKED OR UNMARKED) or when approaching an intersection:

1. The driver of a car/truck shall yield the right-of-way to a pedestrian, bicyclist, or electric personal assistive mobility device, consistent with the safe use of the crosswalk by anyone crossing the roadway within a marked or unmarked crosswalk. The pedestrian must be in the crosswalk (marked or unmarked)!
2. No pedestrian, bicyclist, or rider of an electric personal assistive mobility device shall suddenly leave a curb or other place of safety and walk, run, or ride into the path of a vehicle which is so close that it is difficult for the operator of the vehicle to yield.
3. Whenever any vehicle is stopped at an intersection or crosswalk to permit a pedestrian, bicyclist, or rider of an electric personal assistive mobility device to cross the roadway, the operator of any other vehicle approaching from the road shall not overtake and pass the stopped vehicle.

SECURITY

Please take time to keep your vehicles locked when unattended in parking lots, at work or in your driveway overnight. While Hartland enjoys a small-town charm, we have crimes of opportunity especially in the warm weather months. Additionally, don't leave valuables visible in parked motor vehicles.

We receive many complaints about scams over the phone and via the internet. There are numerous variations of these scams, but some general guidelines can help you from being the victim of fraud. Do not react quickly with giving money to others. Take the time to verify who and why you are giving money. If it does not seem right, don't do it. If you are not sure, speak to someone you trust for an opinion before acting. If in doubt, call the police department as we may have had other complaints about the scam.

ABANDONED AUTOS

Help keep Hartland looking nice. Vehicles that are abandoned, junked, discarded, dismantled, and unregistered may not be stored on private property in public view according to Hartland Municipal Code Section 62-12. This does not apply to vehicles kept in private garages.

TRAFFIC INITIATIVES

The department participates in various national traffic initiatives during the year that are focused on safety belt use and/or impaired driving. By participating in reporting our traffic enforcement during the enforcement periods, we become eligible for \$4,000 equipment grants. Our department has received several of the grants in the past and that is how we have paid for the radar speed pole signs located on several major roads entering the village. This year we will participate in:

Click It or Ticket - May 22, 2023 - June 4, 2023

Drive Sober or Get Pulled Over - August 18, 2023 - September 4, 2023

SAFEGUARD MAIL AND PACKAGES

The Hartland Police Department received many complaints of theft of mail and packages this year. Citizens are encouraged to be proactive when safeguarding items delivered to your home. When ordering packages online, to be delivered to your home, determine if you can pick a time of delivery. If so, have the items delivered to your home when an adult is home. Packages that sit on your front porch or in your mailboxes can be stolen. Do not leave mail in the mailbox or packages on your steps overnight.

Pay particular attention to suspicious people or vehicles in your neighborhoods. It is common for thieves who steal from the mail or from your doorstep, to follow the United States Postal trucks, UPS drivers or other delivery services. If you notice someone who may be doing this, call the police with as much information as you can. It is a great idea to get a description of a car, to include make, model, color and license plate. We ask that you do not confront anyone or put yourself in a dangerous situation. The Hartland Police Department actively patrols the Village as much as possible, but also asks for citizens to provide officers information they may never observe on their own.

NEWEST OFFICER

"My name is Tyler Martins. I am 21 years old and was born and raised in Waukesha County. Becoming a Police Officer has always been a dream of mine. I pursued that dream by attending Waukesha County Technical College and graduated with my two-year criminal justice associate degree in 2022. After graduating I attended and graduated from Waukesha County Technical College's Police Academy in December of 2022. In my free time, I enjoy spending time with my family and friends, preferably outside when the Wisconsin weather allows for it. I am beyond excited to have begun my adventure as a Police Officer for the Village of Hartland Police Department. I look forward to protecting and working with the members of the community."

CONGRATULATIONS

Congratulations to Lieutenant Brian DeBarge on his graduation from the Northwestern University Center for Public Safety, School of Police Staff and Command Class #540.

The Northwestern School of Police Staff and Command is an intensive 10-week leadership and management education program that helps prepare experienced law enforcement professionals for success in senior command positions.

RECORD YEAR (AGAIN) FOR HFD

2022 enters the record books for HFD with 1137 calls for 911 service, our busiest year yet again. From a single station with only 4 career firefighters (including Chief), HFD twice broke monthly call records and posted a 12% increase in call volume from 2021.

LEADERSHIP ACADEMY

Members of the Hartland Fire Department along with the Merton Community Fire Department have joined forces to provide a combined Leadership development class. This class is intended to strengthen the general knowledge of Leadership and managers in an organization. These members have committed to six (6) months of these classes that will go deeper into the fire service leadership challenges and how to harness each other's strengths and grow together.

NEW HIRE ORIENTATION/ACADEMY

On 4/22 – 4/23 the Hartland Fire Department held its first new hire orientation class. The new members were taught the basics of the HFD systems as well as how HFD works. Our new members learned about our EMS procedures and policies as well as where our equipment is on our ambulances. New members were also taught equipment locations on our fire apparatus and were taught the basic principles of building construction and fire behavior. Our new members also participated in various training scenarios including search and rescue and Rapid Intervention Team (RIT) operations.

NEW AMBULANCE

(Photos courtesy of Jefferson Fire & Safety)

Here is a sneak peak of our new ambulance that will be going into service this coming July.

BARK RIVER EXPLORERS

Emergencies happen in any kind of weather. The Barkriver Explorers Post 530 got the chance to experience what it was like to perform extrication in the middle of a winter snow storm.

The Explorers participated in extrication training which consisted of vehicle stabilization, breaking windows and cutting off doors and the roof of a vehicle. The Explorers completed a maneuver called tunneling. Tunneling is when you start at the trunk of the vehicle and work your way forward to access a patient in the front of the vehicle. The Explorers had a lot of fun, as this is one of their favorite things to do.

If you have a student that is between the ages of 15-18 years old who is interested in the fire service as a career, stop down at the Hartland Fire Department for more information about the Bark River Explorers or call 262-367-6878.

JOINT TRAINING

Hartland Fire crews were joined by Merton Community Fire Department crews, braving Wisconsin 3rd winter to practice ladder operations.

"Coming together is a beginning; keeping together is progress; working together is success!"

LITHIUM-ION BATTERY SAFETY

Lithium-ion batteries supply power to many kinds of devices including smart phones, laptops, e-scooters and e0bikes, e-cigarettes, smoke alarms, toys, and even cars. If not used correctly, or if damaged, these batteries can catch on fire or explode.

The Problem

- These batteries store a large amount of energy in a small amount of space.
- Sometimes batteries are not used the right way; batteries not designed for a specific use can be dangerous.
- Like any product, a small number of these batteries are defective. They can overheat, catch fire, or explode.

Safety Tips

- Purchase and use devices that are listed by a qualified testing laboratory.
- Always follow the manufacturer's instructions.
- Only use the battery that is designed for the device.
- Put batteries in the device the right way.
- Only use the charging cord that come with the device.
- Do not charge a device under your pillow, on your bed, or on a couch.
- Do not keep charging the device or device battery after it is fully charged.
- Keep batteries at room temperature when possible. Do not charge them at temperatures below 32° F or above 105° F.

STAY SAFE

Outdoor Safety

- **If you can hear thunder**, you are within striking distance of lightning. Look for shelter inside a home, large building, or a hard-topped vehicle right away.
- **Do not go under trees** for shelter. There is no place outside that is safe during a thunderstorm.
- **Stay away** from isolated tall trees, towers or utility poles. Lightning tends to strike the taller objects in an area.
- **Stay away** from metal conductors such as wires or fences. Metal does not attract lightning, but lightning can travel long distances through it.
- If you are with a group of people, spread out. While this actually increases the chance that someone might get struck, it tends to prevent multiple injuries, and increases the chances that someone could help if a person is struck.
- **Wait at least 30 minutes** after hearing the last clap of thunder before leaving your shelter.
- **Stay away** from windows and doors. Stay off porches.
- **There is no safe place outside.** Sports fields, golf courses, and picnic areas are not safe during a lightning storm. Small sheds should not be used for shelter.
- **If a person is struck** by lightning, call 9-1-1. Get medical help right away. Cardiac arrest is the immediate cause of death for those who die from a strike. Lightning victims do not carry an electrical charge and may need first aid immediately.

Signs of a Problem

Stop using the battery if you notice these problems: odor, change in color, too much heat, change in shape, leaking, or add noises. If it is safe to do so, move the device away from anything that can catch fire. Call 9-1-1.

Battery Disposal

- Do not put lithium-ion batteries in the trash.
- Recycling is always the best option.
- Take them to a battery recycling location
- Do not put discarded batteries in piles.

Charging on E-bike

Charge your battery in a flat, dry area away from children, direct sunlight, liquids, tripping hazards, and in a location where the e-bike is not at risk of falling.

2023 NIXON PARK CONSTRUCTION PROJECTS

Nixon Park will be undergoing significant improvements throughout the 2023 year. The projects slated for the park will include new pickleball courts and playground equipment. The Village will also be repaving the parking lot, adding 55 new parking stalls, and paving some of the walking paths. Nixon Park will be open during this time, and we hope to have you join us there for many of our summer events, including our Hometown Celebration, June 30-July 2.

YARD WASTE SITE OPEN

As you prepare your yard for summer, please be aware that the Village's Recycle and Yard Waste Site at 701 Progress Drive is now accepting yard waste.

Normal business hours for the site are:

- Second and fourth Tuesdays, 6:00 pm - 8:00 pm
- Every Friday, 9:00 am - 3:00 pm
- Second and fourth Saturdays, 9:00 am - 1:00 pm

Recycling and yard waste site is open to **Village residents only**. You will be asked to show a driver's license or ID to verify that your residence is located within the Village. Wood chips, compost and firewood are free of charge to residents when available. Village residents may not bring large volumes of brush such as that generated by clearing a lot for new home construction. Please visit the Village's website www.villageofhartland.wi.gov for a complete list of drop off site materials that are accepted at the site and a listing of rules that must be followed when using the recycle/yard waste drop off site.

2023 CRACK SEALING PROGRAM

The Village's annual roadway crack sealing program is slated to begin at the end of April. This project is intended to seal up cracks on various roadways each year to help prolong the life of the pavement. Typically, newly paved roads are crack sealed in the first or second year after they were paved. Older roadways are also sealed periodically to continue to prolong their ultimate lifespan. The Village's Contractor for this project, American Pavement Solutions, Inc., has indicated that they plan to complete the project on April 24th and 25th. Below are maps that show which roadways will be crack sealed. In addition to the roadways shown on the two maps, the entire Mary Hill Subdivision will be crack sealed as well. In general, the roadways on the northern half of the Village will be completed on Monday, April 24th and the roadways on the southern half of the Village will be completed on Tuesday, April 25th. There may be "No Parking" signs placed on various roadways to help facilitate the work. Please obey the signs so that the Contractor can complete the work as quickly as possible. You can expect minor amounts of dust and debris from the operation, but the Contractor will clean the roadways as they progress. If there is any inclement weather on any of the days, you can expect that the work will be completed the following day and any subsequent work will be delayed by one day. If you have any questions regarding this project, you may contact Peter Gesch, Project Manager at pgesch@ruekert-mielke.com.

2023 UTILITIES REHAB PROGRAM

The Village's annual utility rehab program is currently underway. The Village's Contractor is DF Tomasini, Inc. and will be working in the Village for the next month or two. The main area of work will be structure repairs in the River Reserve Subdivision. There will be miscellaneous valve and hydrant repairs also taking place throughout the Village. If there is a need for a water shutoff to your residence or business, you will be notified 24-48 hours in advance and reasonable accommodations will be made, as needed. Work on this project will be completed by the end of May but could extend into June, weather depending. If you happen to come upon a work zone, please be patient as you approach and pass through the work zone and follow any directions given by workers. We apologize in advance for any inconveniences you may experience and thank you for your patience to help us safely complete this year's project. If you have any questions regarding this year's project, you may contact Peter Gesch, Project Manager at pgesch@ruekert-mielke.com.

2023 PAVING PROGRAM

The Village's annual Paving Program is will begin in mid-June. The Village's Contractor for this work is Wolf Paving, Inc. Work will take place in the Walnut Ridge Industrial Park, on Tree Ridge Court and River Reserve Drive (north of Lindenwood), on Cottonwood Avenue between Cardinal and Pawling, and in Nixon Park. A detailed schedule has not yet been developed, but more details will be available as the project gets closer. Generally, work will take place in the Walnut Ridge Industrial Park and on Tree Ridge Court and River Reserve Drive in June and July. Work on Cottonwood Avenue will take place during a 10-day period in August. Work in Nixon Park will take place between September 5th and October 13th. Nixon Park will be completely closed to the public during this work. If you have a residence or business in an area that will be affected by construction, you will receive a letter with more project details on what you can expect during construction. Please be patient as you approach and pass through a work zone and follow any directions given from workers. We apologize in advance for any inconveniences you may experience and thank you for your patience to help us safely complete this year's project. If you have any questions regarding the project for this year, you may contact Peter Gesch, Project Manager at pgesch@ruekert-mielke.com

BUYING OR SELLING A HOME?

Please contact our office when buying or selling a home to make sure that your Water & Sewer Account has the correct billing name and address on it. The only way we find out if a home has sold is if the buyer or seller provides us with that information. Please email the information to kimj@villageofhartland.wi.gov or call 262-367-2714.

**Library Hours:**

Monday - Thursday: 9 am to 8 pm
 Friday: 9 am to 5 pm
 Saturday: 9 am to 4 pm
 Saturday: 9 am to 12 pm (Summer)

110 E Park Ave
 Hartland, WI 53029
 262-367-3350
www.hartlandlibrary.org
hplinfo@hartland.lib.wi.us

LIBRARY WILL BE CLOSED:

Saturday, May 27 – Monday, May 29 (Memorial Day)
Tuesday, July 4 (Independence Day)
Saturday, September 2 – Monday, September 4 (Labor Day)

HERB & SPICE CLUB

Each month, there will be a unique herb or spice to use at home along with corresponding recipes and historical anecdotes.

May Spice: Crushed Red Pepper **July Spice:** Mint
June Spice: Fennel **August Spice:** Dill Weed

DEMENTIA FRIENDS SESSION

Thursday, June 8 at 11 am

What Makes You a Dementia Friend? You become a Dementia Friend by attending a one-hour informational session to learn about this worldwide movement, about living with dementia, and the simple things you can do to support someone living with the disease. This is not a training session but more of an informational session.

**DRUMMING WITH GARY HUBER
MEMORY CAFE**

Friday, July 7 at 10:30 am

Join us at Hartland Public Library for a fun morning filled with drumming led by Gary Huber. Memory Cafés are informal social gatherings for those who have early-stage Alzheimer's disease or memory loss, and their care partner. Registration is preferred but not required. Please visit librarymemoryproject.org/events to register or call the Library at 262-367-3350 to register.

MEMORY SCREENING

Thursday, July 27 at 1–4 pm

A memory screen is a wellness tool that helps identify possible changes in memory and cognition. It creates a baseline of where a person's memory is at and if further evaluation or diagnostic testing should be discussed. Kathy Glaser, a Dementia Care Specialist from ADRC, will be here to provide a free confidential 15-minute screening. Please call Kathy at 262-548-7354 to set up an appointment. Screens will be provided by appointment only, based on availability.

RED CROSS BLOOD DRIVE

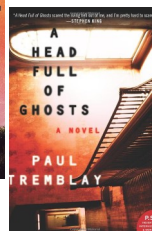

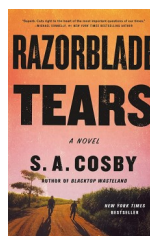

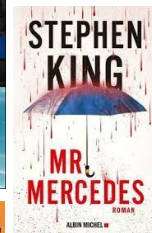

The Library will be hosting a blood drive in conjunction with the Red Cross. For an appointment, call 1-800-733-2767 or visit redcrossblood.org and enter 'Hartland' in the 'Find a Blood Drive' box. Walk-ins are also welcome.

Friday, June 30 at 9 am–2 pm
Friday, August 25 at 9 am–2 pm

GENRE BOOK CLUB

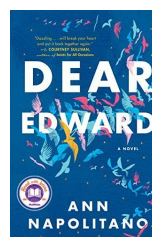

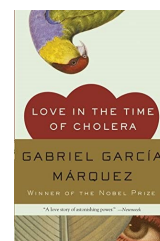

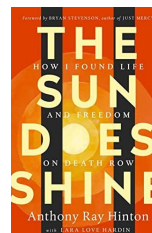

This book club meets on the 2nd Wednesday of each month at 6 pm. Please call the Library at 262-367-3350 to request a copy of the book for each month.

Wednesday, June 14 at 6 pm
 Book: *The Deep Blue Good-bye* by John D. MacDonald
Wednesday, July 12 at 6 pm
 Book: *Mr. Mercedes* by Stephen King
Wednesday, August 9 at 6 pm
 Book: *Razorblade Tears* by S.A. Cosby
Wednesday, September 13 at 6 pm
 Book: *A Head Full of Ghosts* by Paul Tremblay

**SHELF INDULGENCE BOOK CLUB**

This book club meets on the 3rd Thursday of each month at 11 am. Please call the Library at 262-367-3350 to request a copy of the book for each month.

Thursday, May 18 at 11 am
 Book: *Homegoing* by Yaa Gyasi
Thursday, June 15 at 11 am
 Book: *The Sun Does Shine* by Anthony Ray Hinton
Thursday, July 20 at 11 am
 Book: *Love in the Time of Cholera* by Gabriel Garcia Marquez
Thursday, August 17 at 11 am
 Book: *Dear Edward* by Ann Napolitano

PARTY IN THE PARK

Saturday, June 10 at 11 am — 1 pm

Join us for our Party in the Park as we kick off our summer programming with a GIANT INFLATABLE OBSTACLE COURSE! There will also be yard games and an opportunity to sign up for our summer reading program. Food will be available by Endter's Sports Grill.

MAKE AND TAKE MONDAYS

Mondays, June 12-July 24 at 10 am—12 pm

Ms. Sue is back with one of our most popular programs! All ages welcome! Come create fun crafts to take home. Drop in at any time during these two hours.

SPLASH PAD STORIES

Monday, June 12-July 24 at 2 pm

What's better than stories outside?? Stories with Freezer Pops!! Meet Mr. Peter at the Nixon Park Splash Pad, and cool down with some of our favorite stories. Each story time will end with a FREE Freezer Pop for every kid who wants one!!

SENSORY SHENANIGANS!

Tuesday, June 13-July 25 at 10 am

Join us as we dabble in activities designed to get your kiddos thinking and exploring their senses. We'll be using things like slime, playdough, and more! Please wear clothes that can get messy, since some days might get crazy! Recommended for ages 1-3, but all ages welcome! No registration required.

TUESDAY TAKEOVERS

Ages: 10-18

*Registration required. Please email Emily at edoty@hartland.lib.wi.us to register.

Tuesday, June 13 at 3 pm—Candy Sushi*

Tuesday, June 20 at 3 pm—Books Against Humanity

Tuesday, June 27 at 3 pm—Minute To Win It Games

Tuesday, July 11 at 3 pm—

Are you Smarter Than a Librarian? Trivia Game

Tuesday, July 18 at 3 pm—

Fairy Garden Craft*

Tuesday, July 25 at 3 pm—

Mario Kart Tournament*

PRE-K POWER UP!

Wednesdays, June 14-July 19 at 10 am

Mr. Peter loves to laugh, and can't wait to share some HILARIOUS stories with you! We'll not only have fun, but also learn and work on some basic critical thinking skills. Recommended for ages 3 & up, but ALL ages welcome. Each story time will end with a craft you can take home or do right there! No registration required.

CRAFTERNOONS

Wednesdays, June 14-July 19 at 2 pm

Ages: 6-12

We're getting crafty! Join us for a lovely afternoon (a crafter-noon, if you will) where we get creative and make a project! No registration required.

SPECIAL EVENTS

All ages welcome!

Thursday, June 15 at 2 pm—Musicians Wendy & DB

Thursday, June 22 at 2 pm—Magician Magic Morgan

Thursday, June 29 at 2 pm—Snake Discovery

Thursday, July 13 at 2 pm—Storybook Enchantments: Frozen

Thursday, July 20 at 2 pm—Kids Play

LEGO CLUB

Thursdays, June 15-July 27 at 6 pm

Come join the club for Master Builders! We'll give you a theme, you give us a masterpiece! A great way to express creativity, learn about teamwork, and just have fun! Legos and Mega Bloks will be provided. No registration required. Hosted by Lego Club President and TWO-TIME "Lego Masters" applicant Mr. Peter!

BABY AND TODDLER TIME

Fridays, June 16-July 28 at 10 am

All babies and toddlers are welcome to a morning of stories, rhymes, songs and play. The best way for any child to start the day! Recommended for ages 6 months-3 years, but ALL ages are welcome! No registration required.

I SPY TIME

Fridays, June 16-July 21 at 12—2 pm

We made a giant "I Spy" board in our children's library for summer. Watch our Facebook page every Friday; we'll give you something special to look for on the board. Come in that day to find it, and get a prize!!

TIE DYE PARTY

Friday, July 28 at 11 am—1 pm

It's our unofficial end to summer reading, so let's have some fun! Bring a shirt, we'll bring the rest!

SUMMER RECREATION GUIDE

View the Summer Recreation Guide and register online!

Summer Recreation Guide: <https://villageofhartland.wi.gov/DocumentCenter/View/1374/Current-Program-Guide>

ZUMBA IN THE PARK - NEW!

Nixon Park ZUMBA is a fun and exciting dance class based on popular Latin rhythms like salsas, cumbias, merengues, reggaeton and more. By immersion in the music, participants will sweat and smile their way to better health. ZUMBA is not a typical fitness class; it's a party! Play on the weekends and find a new obsession. Fitness will never feel more fun. All fitness and experience levels are welcome. No experience necessary.

\$100 Residents | \$120 Non-Residents | \$15 Drop In

Saturdays - June 3-August 26 (No class on July 1)

MIXED MEDIA COLLAGE - NEW!

Ages 8-14

Explore creative possibilities with Mixed Media Collage! Themed workshops will focus on integrating two or more artistic mediums into one piece of unique, frame-worthy art. From ink, marker and paint, to paper, fabric and ribbon, participants will love the process and the creative freedom it encourages. \$75

"Celebrate Summer" Monday, June 26, 1:00-2:30 pm

"Into the Woods" Monday, July 24, 1:00-2:30 pm

"Birds of a Feather" Monday, August 14, 1:00-2:30 pm

FREE TRY-IT-WEEK

JUNE 5-9

The classes listed below are participating in the Try-It-Free Week. Registration is not required to attend a class during Free-Try-It Week. If you wish to attend a class that is online, please email Sara Rennekamp at sara@villageofhartland.wi.gov. To attend a Try-It-Free class listed below, arrive at the class location approximately five minutes prior to the scheduled start time.
